SAT are looking to replace the old meeting room couch. If anyone is willing to donate or sell a two to three seater couch it would be greatly appreciated. We would preferably like a couch that is in good condition. Please contact the school for further inquiries.

Thankyou

WANTED

Old toothpaste tubes with lids (preferably washed) for school project. Please send to school for Sahryah

Thankyou

No Junior or Senior Netball or Football training on Wednesday 7th June. Training will recommence after the long weekend on the 14th June at Minnipa.

CAP DVD collection

New DVDs are to be purchased soon and we would like some Community input on DVDs you would like to see in the collection.

Please send your ideas to the library as soon as you can.

Play area for young children

- How to help
- What to look for
- When to refer
- How to help my child
- How to be a calm support
- What I can do
- What the signs are
- What the best ways to deal with it are
-

For more info contact Heidi Coleman

At school or 0448833985

The year 7-11 students will be having 2 sessions during the day and the staff will also have a session at the end of the day. I highly recommend that parents attend so you are able to talk with your kids at home about this. Family is very important in a child's life and has such a powerful influence. You are their best counsellor and it is recommended that family be involved as much as possible in the process of healing mental health issues. Quite often family will be the first to recognise an issue arising so if you understand what the signs are, then it is a quicker road to recovery. Please make this a priority and call me if you have any questions about the day.
