Wed 5th July

R-12 assembly 1.40pm

Fri 7th July

Last day of term 2,  
2.30pm finish

Do you remember your child's goals set at the student learning plan meetings this year?

Do you remember how you said you would help your child achieve their goals?

## How you can help your child do well at school?

While it's important to stay informed and be involved in school activities where possible, there are lots of things you can do at home which can help your child to do better at school:

- Have high yet achievable expectations of your child.
- Talk regularly about school and the value of learning.
- Encourage positive attitudes and respect for school and teachers.
- Model the behaviours you would like to see in your child.

Other things you can do which have also been shown to have a positive impact are to:

- Read out loud with your child and listen to your child read out loud.
- Talk and ask about what they are learning.
- Ask what was and was not fun at school.
- Help them to develop strong work habits.

## Great websites for families;

We have welcomed a returning student Lyall Lush into year 11 last week. The school currently has an enrolment of 63 R-11 and 9 preschool children.

Hope to see you at the Biggest Morning Tea next Thursday and Tcharkuldu Cross Country Wednesday 21<sup>st</sup> June at 11am.

## HUGE THANKS to:

- The McArdle family for donating \$250 off the invoice for transporting the new ATV over from Adelaide.
- Daryl Budarick for all of his administration work in getting the school car, ATV and new mower organised.
- The parents who attended the Early Years committee meeting —your time and input is much appreciated.

Enjoy the extra special long weekend this weekend!! Good luck to students who are playing sport.

*Louise Watson*

**“The positive thinker sees the invisible, feels the intangible, and achieves the impossible”  
Winston Churchill**

We live in a world built on people’s dreams. People that have stepped out and had the courage to suggest an idea that had not been tried before. Our minds are amazing to be able to create something new, to see and achieve what hasn’t already been done. It’s in you.....

On June 28th at Karcultaby at 9:00am for 1 hour is the free mental health session which everyone is welcome to attend. When I attended it last year I was so encouraged to learn more about how our minds are amazing and can heal, create and allow us to have choice in our lives. Please come along and make the most of this opportunity and ask me if you have any questions.

Happy birthday to Cody Curtis. I trust that you had an awesome day doing great lego building and all the other things you love doing.  
Heidi Coleman  
Pastoral Care Worker

### Library Lowdown

Opening Hours:	Mon. & Tues.	9:00am-4:30pm
	Wed.	9:00am-5:00pm
	Thurs.	9:00am-4:30pm
	Fri.	9:00am-4:00pm

Did you know the Library has the following magazines available for loan

- Gardening Australia
- Better Homes and Gardens

- Grass Roots
- Choice
- SA Angler
- R.M. Williams Outback Australia

or try...

### Rockin' Readers Story Time

What better way to end a fun story time than with fairy bread and playing with friends.

## Parents & Community FREE Mental Health 1 hour Session

Karcultaby Area School

28th June

9:00am start

Activity Room

Presenter: Joan Oldfield

Mental Health First Aid Instructor

Morning tea provided

Play area for young children

- How to help
- What to look for
- When to refer
- How to help my child
- How to be a calm support
- What I can do
- What the signs are
- What the best ways to deal with it are

For more info contact Heidi Coleman  
At school or 0448833985

The year 7-11 students will be having 2 sessions during the day and the staff will also have a session at the end of the day. I highly recommend that parents attend so you are able to talk with your kids at home about this. Family is very important in a child's life and has such a powerful influence. You are their best counsellor and it is recommended that family be involved as much as possible in the process of healing mental health issues. Quite often family will be the first to recognise an issue arising so if you understand what the signs are, then it is a quicker road to recovery. Please make this a priority and call me if you have any questions about the day.

### WANTED

Old toothpaste tubes with lids (preferably washed) for school project. Please send to school for Sahryah

Thankyou

## Canteen Roster -

Fri 9th June Sharyn Feltus

Wed 14th June Kylee Lynch

# Kindy Happenings

On a very crisp, cold Thursday morning of last week the Karcultaby Playgroup and Preschool children, parents and staff met at Cungena and set off to Kondoolka Station in the Gawler Ranges to attend a RICE (Remote & Isolated Children's Exercise) Play Day. Also in attendance were children and families from neighbouring stations and Miltaburra Playgroup and Preschool. The day was a fantastic opportunity for all the children to interact and enjoy the activities set up by Emma the RICE toy librarian and Kimberly the School of the Air Preschool teacher both from Port Augusta. The children had great fun digging in the red dirt, painting, play dough, ball games, various swings, slides, bikes singing and parachute games. They enjoyed some aspects of station life (seeing the mail delivered, the vegetable garden plus the turkeys and hens). A pooled lunch was enjoyed, and a little later tired, happy children travelled home with their families.

This term we have been learning about insects, bees in particular. We enjoyed tasting honey direct from the honeycomb. We thank Penny and Trevor Morgan for supplying the trays which allowed us the experience. Ms Watson brought the Beebots in for us to learn listening and direction. We have had Kayla Window present the Glitter Bugs handwashing and Eat a Rainbow programs. Lemon cordial was made using our electric juicer and then we turned it into lemonade using Kathy's Soda Stream. Everyone enjoyed a lemonade icy pole too! There has been lots of wonderful artwork produced in many different styles.

## Tcharkuldu Cross Country 2017

On Wednesday 21<sup>st</sup> June, the 41<sup>st</sup> Tcharkuldu Cross Country Run will be hosted by our school/community.

Lesson 1 and Lesson 6 will be normal classes for all students. At the end of lesson 1, students will be transported to Tcharkuldu via bus, and at the completion of presentations/lunch students will return back to school.

To make the event a success **all** students from Year 3-11 will be involved either as caterers, competitors or as markers around the track. Reception to Year 2 students will remain at school with Justine and Alicia.

Markers play an important role in pointing the competitors in the right direction. Markers will be dropped off at their correct location prior to the first of the three races.

Markers need to be dressed appropriately for the conditions which could be cold and even damp. Some students in the past have brought a fold up chair. Being a marker is a responsible position that helps to make the day run smoothly.

After the races all students meet back at Minnipa for lunch. Students need to bring money if they would like to purchase soup, steak sandwiches, sausages, soft drinks or chocolate bars. Proceeds go to the Home Economics budget.

Steak sandwiches (with or without onion)	\$5
Sausage in bread	\$2
2 sausages in bread	\$3
Cup of Soup	\$2
Soft drinks	\$2.50
Chocolate bars	\$2

Please feel welcome to join us at Tcharkuldu and back at Minnipa for lunch and the presentations. We are once again having an Open category for any parents wishing to compete.

### Programme

Year 3-6 -11:00am followed by the Year 7-9 event and then the senior/open section (Yr 10-12).

### Cross Country runners for 2017

Boys Yr 3-6	Girls Yr 3-6	Boys Yr 7-9	Girls Yr 7-9	Boys Yr 10-12	Girls Yr 10-12
Nathan	Sophie D	Kysen	Indira	Josh	Kimberly
