Teachers attending educational speaker 'Sir John Jones' in Port Lincoln

Wed 5th July

1pm start Fast Five netball – community members invited to play
R-12 assembly 1.40pm
yr 2/3s hosting

Fri 7th July

Last day of term 2,
Reports sent home
2.30pm finish

We thought our 40th celebrations of the West Coast Country run at Tcharkuldu were huge last year, but obviously our reputation is growing as this year's event was also huge. There were 350 runners registered and some from schools which have not taken part before – Cummins, Port Lincoln Primary. We even had to make new number finishing cards!

Thank you to all students and staff who each did their part in making the day another huge success! It is an event which is our public face to the wider community and it's important to do a good job. More information about the results and a detailed report will be published later.

BIG thanks to;

- **Simon for all the hard work he has put into running the event and Bronte for setting up & packing up –with help from Wendy!**
- **Rachael for taking on the catering very efficiently,**
- **Bronny for doing the registrations & admin**
- **the Phillips family for allowing us to borrow their trailer to transport the ATV to Tcharkuldu,**
- **the Minnipa Hotel for donating all of the ice for the event**
- **and the Minnipa sportsclub for letting us use their facility.**

The teaching staff are busy this and next week involved with **moderation** across the partnership schools. Using student's work samples, staff will analyse whether the assessment decisions are consistent and therefore that an 'A' in one site is the same in another. All DECD schools and teachers are involved in the same process. It is a valuable experience in learning about task design, chatting with other staff about learning, getting new ideas as well as achieving consistency across all schools.

Semester one finishes at the end of next week and semester two will start in week 10. This will mean some subjects will changeover to new ones and the timetable will be different.

Year 10 and 11 students are doing **work experience** in week 10; Josh is working with Shannon Horgan, Kimberly will be in the R/1 class and preschool, Baylee will work with John Post, Steven is continuing his work with Wudinna Auto. Good luck to all students! Murray has just completed a week with the ADF at the Edinburgh Base in Adelaide, which he said was 'good!'

Simon Petty is starting **long service leave** in week 10 and the first two weeks of the next term. He will be replaced by Calise Holmes. We wish him happy travels as he heads to Botswana to watch Hannah play netball for the Australian Under 21 team. Watch out for lions, hippos & wildebeest!

Kathryn Heddle will take **country incentive leave** for terms 3 and 4 and we wish her all the best working on the farm or maybe just lots of relaxation! Coby will take on Kathy's library roles and therefore be in the library all week.

Louise Watson

**“We are all here for some special reason.
Stop being a prisoner of your past.
Become the architect of your future.”**

Robin S Sharma

This quote can seem a little harsh but it is very true. We can be a prisoner of our past and need to know that we can be free. On the weekend I was listening to a song which talked about our lives being a movie and we were the main character. What would it look like as we are all the main character in our own life movie. We are here for a special reason as there is no one else like us. We can be the architect of our future as each day is a new day. Don't we love those movies where the underdog wins, the poor succeed, the very ill or abandon find hope. Those that don't have a family find love and security. This is you. Don't just dream about it. Start to live it and see those around you catch the hope that you show.

Please come along to the mental health session, 28th June 9:00am at school, as Joan is passionate about people knowing that with the right support there is mental healing for everyone in whatever they are going through. We are a part of this healing for those around us and need to also be aware of signs in our own lives when we are becoming too stressed. This was a big part of the Emotional Coaching conference I was at last Wednesday. Being calm helps us work through situations with our upper brain function that includes language. It's great to learn as then we can help others because we see what's going on and have tools to support and see wholeness come about in their life.

Happy Birthday Makayla Carey, Megan Carey, Josh Horgan, Talon Fromm and Neve Tomney. I hope your day was awesome. You are all here for a special reason and know that each day is yours to design. Enjoy being that next year older.

Heidi Coleman
Pastoral Care Worker

Parents & Community FREE Mental Health 1 hour Session

Karcultaby Area School

28th June

9:00am start

Activity Room

Presenter: Joan Oldfield

Mental Health First Aid Instructor

Morning tea provided

Play area for young children

- How to help
- What to look for
- When to refer
- How to help my child
- How to be a calm support
- What I can do
- What the signs are
- What the best ways to deal with it are

For more info contact Heidi Coleman
At school or 0448833985

The year 7-11 students will be having 2 sessions during the day and the staff will also have a session at the end of the day. I highly recommend that parents attend so you are able to talk with your kids at home about this. Family is very important in a child's life and has such a powerful influence. You are their best counsellor and it is recommended that family be involved as much as possible in the process of healing mental health issues. Quite often family will be the first to recognise an issue arising so if you understand what the signs are, then it is a quicker road to recovery. Please make this a priority and call me if you have any questions about the day.

WANTED

Old toothpaste tubes with lids (preferably washed) for school project. Please send to school for Sahryah

Thankyou

Canteen Roster -

Fri 23rd June	Bianca Fromm
Wed 28th June	Jacqui Daniell
Fri 30th June	Kerri-Ann Gill
Wed 5th July	Fiona Carey
Fri 7th July	Bethany Shepperd

ENROL NOW IN PRESCHOOL

Going to preschool helps your child to learn new things, make friends and develop confidence.

For more information contact your local government preschool or visit www.decd.sa.gov.au

Government of South Australia
Department for Education and
Child Development

ENROL NOW IN PRESCHOOL

Children who turn 4 before 1 May can start preschool at the beginning of the year before they start school.

Families are encouraged to enrol now for preschool next year.

For more information contact your local government preschool or visit www.decd.sa.gov.au

Kindy Happenings

Last Thursday 15th June, the Preschool hosted a successful Biggest Morning Tea, raising funds for the Australian Cancer Council. Thanks to everyone's (guests and Karcultaby staff) generous donations; we were able to provide \$200 towards cancer research and patients. The No Fail Lemonade Scones, served with jam and cream (recipe included), were prepared by Kathy and the children and proved

popular with all who attended.

A big thank you to Bronte for his assistance with setting/packing up and Kathy for providing a very appropriate table centrepiece.

NO FAIL LEMONADE SCONES

Ingredients:

4 cups self raising flour
300ml light cream
200ml lemonade
 $\frac{1}{2}$ teaspoon salt

Method:

1. Preheat the oven to 210 degrees C. Sift flour into a large bowl. Add salt, lemonade and cream, then mix into a soft dough using a knife.
2. Turn onto a lightly floured bench and knead gently until the underneath surface is smooth. Turn the smooth surface to the top and gently press out to 2cm thickness. Cut to shape, using a scone cutter..
3. Place on a warm greased oven tray and glaze top of scones with milk using a pastry brush. Bake 15 minutes or until golden brown. Serve warm or cold with jam and cream.

MONSTER AUCTION

Karcultaby Area School

Friday 25th August 2017

- 10% commission or donation.
- GST on top of all items except furniture

Proceeds to go to secondary Canberra trip and to all classes.
For more information ring the school 86263 077.

WESTERN EYRE PENINSULA SAPSASA NETBALL 2017

On Friday 5th May, over thirty girls trialled for the Western Eyre Peninsula (WEP) SAPSASA Netball team. Twenty girls were selected and formed two teams to compete at the SAPSASA State Netball Carnival in Adelaide from Monday 5th June to Friday 6th June.

Team A consisted of Java Shipard from Penong Primary School, Sophie Gill from Streaky Bay Area School, Taneisha Wilson from Crossways Lutheran School and Isobel Beattie, Gracie Vaughan, Taylah Wright, Kira Mahar, Olivia Cooper, Brydee Trewartha and Jessica Crisp-Trowbridge from Ceduna Area School.

Team B consisted of Asha Ross, Dakota Ettridge and Lara Skinner from Ceduna Area School, Mia Whitford, Danielle Hill, Bianca Necic, Emily Geraeds, Jasmine Gunn and Abbee Cash from Streaky Bay Area School, as well as Chloe Daniell from Karcultaby Area School.

Team A

Team B

Throughout the week the girls played some very good netball, although they came up against some very strong competition and some very tall girls. Out of the nine games played, Team A won one game against Kangaroo Island with a score of 26-10, whilst Team B had a draw against Murraylands and a win against Kangaroo Island (28 goals to 7). To the girls' credit, they played as a team, never gave up and played with outstanding sportsmanship, all of which were commented on by coaches and umpires from the other districts.

Special thanks must go to Alli Shipard who coached Team A, as well as Dee Gill, Jacqui Daniell and Cindy Ettridge who umpired throughout the week. Thanks must also go to the parents who took the girls to Adelaide and helped score each of the games.

Karen O'Reilly
SAPSASA Netball Coordinator
